

Sperl Sebastian  J. Fleu.

More than 45 Years in Pro Audio

The company SOLTON was founded in 1972 by Mr. Josef Sperl. The invention of innovative products like rotating speaker cabinets and professional Entertainer keyboards in the 80's and 90's led to the reason that SOLTON reached a leading position on the worldwide market.

Own production of high power aa-CRAFT © loudspeakers, PRO-PA-System and amplification expanded the sales program with great success, offering a wide product-line under the brands "SOLTON" and "aa CRAFT", with all the experience of more than 45 years in the PRO-audio-field, a high quality standard is guaranteed with an excellent sound, developed by German engineers, taken over by many artists and theater and concerts.

Quality, compactness and a realistic cost-benefit ratio is our maxim. In the year 2011 the company was renamed in "SOLTON acoustic" led by Sebastian Sperl.
